

INFINITY COLLABORATION WALL

TILE Pro

Ultra Slim Touch Bezel and Active Markers

EASILY IMPLEMENT INTERACTIVE VIDEO WALLS

TILE Pro is an Ultra-Narrow Bezel All-In-One 55" touch solution ready to quickly integrate and implement an interactive video wall. It combines great functionalities with great sleek design.

BEST TOOL FOR COLLABORATION & VISUALIZATION

Make collaboration part of your day. Share moments and ideas with others on a canvas that is as vast as your vision, enhanced by our Active Battery-Free Markers. Perfect for TILE Pro, DISPLAX Digital Markers ensure a smooth and truly outstanding interactive experience.

DESIGNED FOR MODERN WORKPLACES & EXPERIENCES

TILE Pro integrates beautifully into the modern workplace, enabling productivity in any space where people come together to get things done. The fully integrated design, and flexible mounting configurations - LANDSCAPE, PORTRAIT and TABLE modes - makes this the best solution for your needs.

MULTIPLE USERS

Recognizes up to 100 touch points per TILE with precision, allowing multiple people to interact with each screen simultaneously.

WORKS WITH ANY OS

TILE Pro is based on SKIN ULTRA technology that runs on Windows, macOS, Android, Ubuntu and Chrome OS, with a software of your choice.

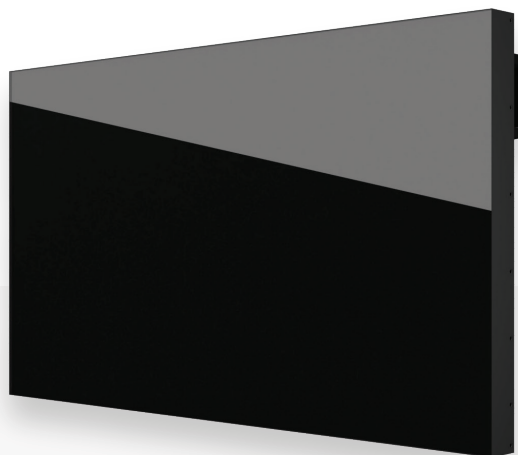

DIGITAL MARKERS & ERASER

You can have multiple digital markers and eraser simultaneously working on each touchscreen, perfect for collaboration.
